Little Roni Publishers, LLC Announces Rights to *Vlad The Inhaler*

January 1st, 2014-Little Roni Publishers, LLC-Byhalia, Mississippi- Little Roni Publishers, LLC a small publishing boutique was thrilled to announce today the acquisition of rights for *Vlad The Inhaler* by Lorraine Mace.

Little Roni is thrilled to be working with Mace, an established writer. *Vlad The Inhaler* is a middle-grade adventure that brings a teen hupyre {half-human and half-vampire} to life. Ellen Sallas, Editorial Director for LRP, was thrilled when she read the first line of the manuscript. "It grabbed me and didn't let go," she says. Mace sucks the reader into a vortex of thrills and survival...hupyre style.

Mace lives in Spain and is a columnist with *Writing Magazine* (UK). Her work is published in five countries. *Vlad The Inhaler* is planned for worldwide release April 2nd, 2014.
